## *Personal skills*

**Mother tongue:** American English

**Communication skills:** I have worked with students of all kinds of cultural and educational backgrounds – from real estate students in the United States to locals, tourists, and employees in Russia, Lithuania, and Germany. I also gave public speeches on cultural topics at conferences in England, Lithuania, and the USA, among them the Simon Wiesenthal Center in Los Angeles.

**Organizational skills:** I founded the Vilnius Jewish Public Library in Lithuania, the first Jewish public library since 1943, in collaboration with the Lithuanian Ministry of Culture. I was highly motivated, started the project all by myself, and succeeded with the help of many supporters after 7 years. I set up the library's main collection of books, films, CDs, and artwork. I have worked independently most of my life and helped to organize arts and library events.
